OFFICE ON DEADERICK STREET. RATES OF ABVERTISING.

Newspaper proprietors generally, and especially of this sity, under the usages and regulations heretofore prevaling are called upon to perform more labor without remuneration, than any other class of community. The gratuitous ublication of charity and religious advertisement, and comcan only be inserted at a heavy cost to the proprietor, im-poses upon them a burden so oncrous, that they feel called apon, in salf-defence, to check the abuse, by making such publications a charge, to some extent at least, upon the partics more mendiately interested. In this they are but following the example of the press in other cities, impelled by a sense of its intrinsic propriety, and imperative duty to themselves. The subscribers have, therefore, united together in a mutual agreement, upon the to lowing specified terms or the publication of these as well as every sort of regular business selvertising.

THE undersigned, late of Georgia, having removed to the Ladies' and City of Nashville, offers his services to the citizens of Gioves, &c. Georgia, E. Tennessee and North Alabama for the purchase of Dry Goods, Groceries, Corn, Wheat, Rye, Bacon, Lard, Fine Horses, Mules, Cattle, and in short, every article of trade offered in the Nashville market. The Merchants of Nashville are men of high character and pecuniary standing, and have large and well selected

stocks that they offer on liberal terms, which should induce the merchants of Upper Georgia, East Tennessee and North Alabama to give the Nashville market a lair trial. As to inducements will be offered, the Grocery Market, the propriety will suggest itself to the nov4 mind of every merchant in the sections of country named, as the most proper for their trade. The long connection of the undersigned with the Railroads of Georgia, as General Agent, Treasurer and Superintend-

ent of Transportation, as well as Agent at Chattanooga sev ral years for the Banking interest of Savannah, will enable im more readily to invistigate claims against Railroad mpanies, for lost goods or for damage while in transitu, for the renewal or discount of noise or bills in bank, &c.
All letters inclusing orders and money will receive prompt attention, and all orders without the money, when sath ory evidence of solvency and promptness at same, or the parties known to be such, shall receive like attention, when ordering articles that come under the raie or custom of the market to sell on time. I will also give strict attention to receiving and forwarding all goods that are not to be stored, that may be directed to my care. The charges for the purchase of goods, &c., will be five per cent ournissions, and twenty cents for each box or package for receiving and forwarding.

TESTIMONIALS. From J. H. McMahon, Esq., Editor Memphis Bulletin. MEMPHIS, March 24th, 1815. Mr. J. H. Sanuors-Sir: The use I have made of the pair of Glasses obtained from you, satisfies we of the utility and value of the form and material by which they are distinguished. Without magnifying the object beyond the size apparent to the atural vision, they render it distinct and lear without fatigue to the eye. So far as my limited experience extends, I am very much Very respectfully your ob't serv't,

J. H. McMAHON.

From Hon. Geo. D. Prentice, Editor Louisville Journal, \* \* Undoubtedly they are the best Speciacles I. the world. The continuous use of them for any number of hours does not fatigue the eyes in the least, and the vision of age is rendered by them in all respects like that of youth.

MEMPHIS, March 14th, 1855. MR. J. H. SEMMONS-Dear Sir: I have carefully examined your Brazillan Pebble Spectacles, and most cheerfully add my testimony to their superiority over any other lenses I ave yet seen.

Beshles the philosophy of this form, shape, &c., the remarkable transparency and hardness of the material ren-der them peculiarly adapted to the purposes of assisting impaired vision, which, until e other Speciacles, do so without fatiguing the eye by their use.

I can, my dear sir, cordially recommend your Brazilian Pebbles to my friends as especially worthy of their confi-dence, and feel assured that a trial will in every case give satisfaction. I am, my dear sir, truly yours, &c.

Jos. VAULX, Secretary. Prof. Obst. Memphis Med. College. From the Hon. David Dale Owen, U. S. Geologist. NEW HARMONY, March 28, 1854. Mr. J. H. SEMMONS: Sir:-Having examined your Specta-

avo convex Braziliao Febbles, take asure in testifying to their advantages over the ordinary glass speciacles. Their superior hardness prevents them seing defected by scraiches; the peculiar manner in which they are ground and polished, logether with their transpar-ncy, obviate the strain usually experienced in wearing dasses, and their cooldess especially, recommends them to have having weak, irritable eys.
